The new menu will commence on **MONDAY, 17TH APRIL** – please book your child’s choice on the PUPIL ASSET app. If you choose to send your child to school with a packed lunch from home, this does not need recording on the Pupil Asset app.

We have listed the daily school meal options from 1 to 4, and when booking your child’s meals via Pupil Asset, these will show as: 1 – Meat, 2 Vegetarian, 3 Jacket Potato and 4 Packed Lunch variety. Please make sure you add payments, where necessary, to your child’s Pupil Asset account at the time of booking their meals. Norse are unable to adapt or amend the above menu for your child, unless your child suffers with a medically diagnosed food allergy or intolerance, this also includes the fillings for Jacket Potatoes. Norse requires information from the Hospital, or your child’s surgery, in writing before meals can be changed by kitchen staff.

School lunch for pupils in Reception through to Yr. 2 is provided free of charge. There can be other advantages for children whose family receive certain benefits and therefore can apply for statutory Free School Meals, which follows through to Yr. 3 and beyond. If you require any further information about applying for Free School Meals, please have a word with the Office Staff.
