

What should I know already?	What will I know by the end of the unit?
<ul style="list-style-type: none"> <li>To paint using different size brushes, including your fingers.</li> <li>To recognise and name different colours.</li> <li>To have experience in mixing colours.</li> </ul>	<ul style="list-style-type: none"> <li>To experiment with different media and tool sizes.</li> <li>To explore making colours lighter and darker.</li> <li>To mix primary colours to make secondary colours, making predictions as to what will happen.</li> <li>To know all basic colour names.</li> </ul>

Focus artist:	Focus artwork:
<p style="text-align: center;"><b>Vincent Van Gogh</b></p>  <p>(1853 - 1890) Vincent Willem van Gogh was a Dutch post-impressionist painter. His work had a great influence on modern art because of its striking colours and emotional power.</p> <p>Unbelievably he only sold one painting in his lifetime, called 'The Red Vineyard'. Like many painters he only became famous after he died.</p>	 <p style="text-align: center;">Sunflowers (1888)</p>

Vocabulary I will need to know:	
Post-Impressionism	An art movement using vivid colours and real-life subject matter to show emotion and expression in the paintings.
Primary colours	The three primary colours are red, yellow and blue.
Secondary colours	Colours made by mixing two primary colours together. The three secondary colours are orange, green and purple.
Mix	Combine or put together different colours.
Light	A brighter colour than the colour you start with.
Dark	A duller colour than the colour you start with.
Different media	Using different types of art materials (paint, crayon, chalk etc.)
Water colour paint	A paint where you add water to the pigments to use.
Ready mixed paint	A ready to use, water based poster paint.
Acrylic paint	A fast-drying paint containing pigment in an acrylic emulsion.
