

**REFFLEY ACADEMY
NEWSLETTER
November 2025**

Message from Miss Fendley ... It has been a very busy start to the year. It was lovely to see so many parents attending parents evening. I know the children have been very busy with their learning. We will be launching anti-bullying week next week and also participating in a 2-minute silence for Remembrance Day. This is linked to our DT topics so all children will make a poppy.

Key dates

Monday 10th November: Launching anti bullying week, children can wear odd socks if they would like.

Friday 14th November: Non-uniform day for children in need - donations if desired can be brought in.

Wednesday 19th November - Flu vaccines, please ensure you have completed the online forms.

Thursday 20th November - 2-30pm Parent drop in to look at writing in classrooms.

Wednesday 26th November - Year 3 trip to Matilda in London.

New bike shed

As you will have seen, we have added a new path and relocated a bike shed to make it easier for upper KS2 children to keep their bikes closer to their classrooms. This means the bike shed on the KS1 playground has more space. We will also be adding some more scooter storage in time. We have undertaken this work based on the parent feedback from the questionnaire last summer.

New poly tunnel

You will also see that we have had a new poly tunnel put up at the back of the school. This will mean that classes will be able to grow plants and food in a safe space.

Parent consultations

All of you should have received the form from parents evening, we have amended it slightly to try to give key information more clearly. Please speak to your class teacher if you have not received yours.

Communication

We encourage you to discuss concerns with your child's class teacher; this can be face to face or via class dojo. If you feel your concern has not been dealt with appropriately, please contact a more senior staff member via the school office. Communication between staff and parents/carers should remain respectful at all times.
