### 1. Aims and values

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the academy to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Our Trust has developed a vision, mission, a set of aims and values that are consistent with the Equality Act 2010: -

- Our vision is to inspire all (children, colleagues, parents) to be happy and become the best they can possibly be.
- Our mission is to accelerate progress and educational attainment, build effective social skills, broaden experiences for children in order to raise aspirations for all on the journey 'towards better outcomes'.
- Our academy aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.
- Our values are to: -
  - Respect – we will treat all with respect.
  - Excellence – we will strive for excellence in all that we do and drive up standards and deliver outstanding teaching and support.
  - Enthusiasm – we will enthusiastically encourage, support and help all to be the best they can possibly be.
  - Working Together – we will work together and with partners, parents and the community to inspire our pupils and each other.
  - Belief – we believe that every child has intrinsic value, is capable of changing and growing and is naturally motivated to learn.
  - Safe – we will deliver a learning environment that is positive, happy and where children feel safe and able to learn.
  - Resilience – we will be innovative and adaptable to change to meet the needs of our pupils and the development of our colleagues.

Our Trust is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues. We have a commitment to support any available partnerships to develop and implement the plan.

## **2. Legislation and guidance**

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

## **3. Action Plan (see Appendix 1)**

### **4. Policy availability and raising a concern**

The plan will be made available online on the academy website, and paper copies are available upon request.

Our Trust's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

### **5. Monitoring arrangements**

This document will be reviewed every 3 years, but may be reviewed and updated more frequently if necessary.

### **6. Links with other policies**

This accessibility plan is linked to the following policies and documents:

- Risk assessment policy
- Health and safety policy
- Equality information and objectives (public sector equality duty) statement for publication
- Special educational needs (SEN) information report
- Supporting pupils with medical conditions policy
