Primary School PE and Sport Funding Plan 2025/26	
From September 2013 the Government allocated funding directly to primary schools to support the provision of quality PE / Sport. The PE & Sport funding total for 2025/2026 at Reffley Academy is £18,780 (based on children between years 1 and 6). Sports Funding is intended to develop or enhance PE and sports provision that is already in place in school and to make improvements that will benefit current pupils and those of the future.	
Increase confidence, knowledge and skills of all staff – £4,200	
Action	**Intended impact and how this will be measured**
➢ CPD sessions for all new staff on the delivery of different sports and activities – to be held each term: Autumn – Dodgeball Spring – Gymnastics Summer – Dance ➢ Specialist coach to support teachers who are less confident about teaching PE. Working with individual teachers and supporting with lesson planning, assessment etc.	Increased staff confidence and ability in the planning, teaching and assessment of PE leading to an improvement in the quality of PE delivered to all children. A particular area of focus will be keeping children active throughout the duration of the lesson and activities to support with this. This will be monitored during lesson observations and assessment data showing pupils attainment and achievement.
Swimming intervention lessons- £1807.50	
Action	**Intended impact and how this will be measured**
➢ Additional swimming for pupils who had not met swimming end of Key stage expectation after term of swimming every week.	More children will have the opportunity to achieve age related for swimming. This will be monitored by collecting data impact of additional swimming intervention.
Increased engagement of all children in regular physical exercise – £3212.50	
Action	**Intended impact and how this will be measured**
➢ Training of sport leaders ➢ Equipment to be used during lunchtimes for structured activity sessions ➢ Daily mile completed daily with least active children in certain year groups.	Children will have the opportunity to take part in structured activities during lunchtime leading to more children being active. Older children are given opportunities to be responsible and enhance their leadership skills. This will be measured by feedback from staff and pupils as well as school council. During break and lunchtimes children will have additional opportunities to be active through the use of equipment. This will not only lead to an increase in participation levels, but also a decrease in behaviour issues seen during unstructured times due to engagement in physical activities. This will be monitored by teachers and teaching assistants on duty during these times.
Increased participation in competitive sports – £3,000	

Action	Intended impact and how this will be measured
➢ Arrange competitions within school – competitions to be held termly within year groups for KS2. ➢ Cluster competition membership ➢ School County Cup for football ➢ Local events organised by Sports Coaching Company	All children will have the opportunity to participate within internal school competitions. Older children will support and officiate giving them an opportunity to enhance their leadership skills. Selected pupils will get the opportunity to participate in cluster competitions with other schools – these will be celebrated within assemblies. Additional competitions will be entered this year to allow a greater number of children the opportunity to represent the school rather than just the most talented athletes.
Broader range of sports on offer - £6,560	
Action	**Intended impact and how this will be measured**
➢ Audit and replace PE equipment to enable a greater range of sports to be delivered. ➢ Specialist coaches to teach Outdoor and Adventurous Activity as well as helping to upskill teachers in the delivery of these activities.	Children will have the opportunities to access a wider range of sports leading to an increase in enjoyment of PE. Children will have access to high quality equipment, which will increase the delivery of PE and enable all children to be active for the duration of the session. New football goals to be ordered for use by children at lunchtimes (as agreed by School Council).

Year 6 Swimming & Water Safety Attainment Data
Reporting Academic Year: 2025 - 2026
Total Number of Pupils in Year 6 Cohort: 55

Meeting National Curriculum Requirements for Swimming and Water Safety:

1. Requirement: Swim competently, confidently, and proficiently over a distance of at least 25 metres.
   Percentage of Year 6 Cohort Achieving Standard: 65% %

2. Requirement: Use a range of strokes effectively (for example, front crawl, backstroke, and breaststroke).
   Percentage of Year 6 Cohort Achieving Standard: 65 %

3. Requirement: Perform safe self-rescue in different water-based situations.
   Percentage of Year 6 Cohort Achieving Standard: 65 %
